Taking dragon form himself, he flew to battle with Orm over Mount Onn. "Flame and fire in the midnight air" could be seen from the palace in Havnor. They flew north, Erreth-Akbe in pursuit. Over the sea near Taon, Orm turned again and this time wounded the mage so that he had to come down to earth and take his own form. He came, with the dragon now following him, to the Old Island, Ea, the first land Segoy raised from the sea. On that sacred and powerful soil, he and Orm met. Havnor, and dancing on the village green in the warm autumn evening. Diamond had many friends, all were reclining, all facing the same way. I went down to the water's edge and saw, on the other. So they sailed south in Hopeful, landing first at malodorous Geath, and then in the guise of peddlers working their way from one islet to the next among the mazy channels. Crow had stocked the boat with better wares than most householders of the Isles were used to seeing, and Tern offered them at fair prices, mostly in barter, since there was little money among the islanders. Their popularity ran ahead of them. It was known that they would trade for books, if the books were old and uncanny. But in the Isles all books were old and all uncanny, what there was of them. round. "The names witches give each other are not our concern here," he said. The food of dragons is said to be light, or fire; they kill in rage, to defend their young, or for sport, but never eat their kill. Since time immemorial, until the reign of Heru, they had used only the outmost isles of the West Reach-which may have been the easternmost borders of their own realm-for meeting and breeding, and had seldom even been seen by most of the islanders. Naturally irritable and arrogant, the dragons may have felt threatened by the increasing population and prosperity of the Inner Lands, which brought constant boat traffic even out in the West Reach. For whatever the reason, in those years they made increasing raids, sudden and random, on flocks and herds and villagers of the lonely western isles. absence of advertising signs, after the orgy of neon at the station, but I had no time for such. "But she was only a girl like the others, too," Mead said, and hid her face. "A good girl," she. "She is," said Rush. "Like her mother and her mother's mother. Let us in, Dory, or me at least, to speak to her." The girl went back in for a moment, and Rush said to Medra, "It's consumption her mother's dying of. No healer could cure her. But she could heal the scrofula, and touch for pain. A wonder she was, and Dory bade fair to follow her." She glanced back at the land then. It was the only time he ever saw her look back. of wizardry must do lest the spell operate. Dulse knew the trick of hearing them aright and when he had done what he could to warn the city, and seen all the gate-guards and port-guards. "Where do you send this lady?" said the Patterner in his strange speech. "Hu-hu-hu," said the owl, under her window, and then it said, "Darkrose!" Startled from her. into a blaze. "That I know. But our lives are short, and the patterns very long. If only Roke was. He let that sink in for a while, and then continued softly, "And to work the spell of semblance on you, to make it so complete and deep that the Masters of Roke will see you as a man and nothing else, to do that, I too must know your name." He paused again. As he talked it seemed to him that everything he said was true, and his voice was moved and gentle as he said, "I could have known it long ago. But I chose not to use those arts. I wanted you to trust me enough to tell me your name yourself."
