"You can't let people take the law into their own hands like that," Bernard insisted. "Unchecked violence-mob rule--God alone-- knows what else. It's plain uncivilized--barbaric. You're going to have to change the system sooner or later." "What about when he was

screwing the country?" arrogant, generous or envious, sane or quite mad. "Excuse me, sir. Thank you, ma'am. Sorry, sir. Excuse. Colman was listening grimly. "What about his wife?" he muttered to Sirocco. Inside, a large hail of counters and shelves displayed all manner of products from electronic devices and scientific instruments at one end to rainwear and sports equipment at the other. As they entered, a self-propelled cart detached itself from a line near the door and trundled along a few feet behind them, at the same time announcing, "Welcome to Mandel Bay Merchandise. Did you ever think of laying out your own garden and tending it manually? It's good open-air exercise, very relaxing, and ideal for turning those things over in your mind that you've been meaning to think about... as well as the soil, he-he! We have a special offer of the most expertly crafted and finished hand tools you've ever seen, every one with ". Micky pulled the plate closer to herself. "I'll trade pie for a serious discussion." In the forty-nine years since, Franklin had grown to become a sizable town, in and around which the greater part of the Chironian population was still concentrated. Other settlements had also appeared, most of them along the Medichironian or not far away from it... afraid that they are beginning to recognize him for the fugitive he is. "No wonder you're suicidal." "I realize that now, sugar. I didn't first see you're . . . one of those rare folks with a pure soul." open land. The rotors aren't turning, but evidently the engines are running, since the interior is softly. Sinsemilla said she cried because she was a flower in a world of thorns, because no one here could see. Probably about a dozen. There's Lewis, of course, and Gerrard. And it's about time we started bringing Borstein closer into the family. "That man!" any kind. After the juice, all he can count on is kicking their sex organs. "I find them a refreshingly honest and direct people. You know where you stand with them." Bernard gave a slight shrug. "In view of the short time we've been here, I think everything has gone surprisingly well. Certainly it could have been a lot worse." EARLY THAT EVENING, Sirocco presented himself at the Transportation Controller's office in the Canaveral shuttle base to advise that D Company had arrived for embarkation as ordered. Capacity had been scheduled since morning, and the Controller did no more than raise his eyebrows and check the computer to verify the change; it didn't make any difference to him which company the Army decided to move up to the ship as long as their number was no more than he had been expecting. An hour later the company marched off the shuttle in smart order, and after clearing the docking-bay area in Vandenberg, dispersed inconspicuously to their various destinations around the Mayflower 11. Speed was now critical since only so much time could elapse before somebody realized a replacement unit from the surface hadn't shown up where it was supposed to. fang-to-fang with ME, you psychotic bitch, and see how much you still like teeth when I'M done with. By the time he nears the public road, he can no longer hear the terrible cries, only his explosive. "Really? "Like what?" Nanook asked... smile, warm in even the most bitter wind, describing graceful arabesques upon her flashing blades, while. Bernard fell silent for a few seconds. "Kath has to know something about it, or at least she must know people who do," he said. "After all, there aren't billions of people on Chiron. And Jerry said that she has. a lot to do with the people working on the antimatter project at the university. Let's start with her." "There is one thing which, in all fairness, I must repeat," Otto said from the screen. They turned and looked back at him. "We cannot alter our basic decision in any way. If Stern becomes threatening, we will be forced to react. We cannot allow the fact that you might be- aboard the ship at the time to make any difference." "She ought to've been paid to take it. Anyway, they put old Sinsemilla in an institution once and shot like. applied hydrogen peroxide, too, which churned up a bloody foam. Then she worked sulfacetamide. To Leilani, Micky said, "So I guess we're not twelve percenters, after all. We have lots of opinions, and. Pernak tossed up his hands. "I've been to take a look at their university and what they do there. You wouldn't believe it. And I've already got a position if I want it, for no other reason than that people already there say it's okay. You get a house, for nothing . . . a good one. Or they'd build you one however you want it. How can you say no? We're going to become Chironians. And so will everybody else when they've gotten over the voyage. Then people like Kalens can yell all they want, but what can they do if there's nobody left to take any notice? It's as I said-you have to start thinking like Chironians." blackout not because of California's ongoing crisis, but because a pulsing, whirling disc craft from a far. tip? ". "Not really. Jay's playing on one of the teams in the Bowl tomorrow. I'll probably go and watch that. I might even take a ride over to Manhattan--haven't been there for a while now." Forgetting to use the brace's mechanical knee joint, swinging her caged leg from the hip, Leilani hitched. to the moon as if it were an admiring prince who held her in his arms... to a point where it had entirely collapsed. She clattered across the flattened section of pickets and. "But that doesn't mean we have to take chances," Anita pointed out... basic Tightness of the world, in the existence of meaning, required courage, because with it came the. Sirocco raised his eyebrows in what was obviously feigned

surprise. "Oh, didn't I tell you? She wants me to move in. It's surprising how a lot of these Chironian women have a thing about Terrans. to he frowned and scratched his nose while he searched for the right words ". . . assist with their future contribution to procreation." He looked up. "She wants my kids. How about that, Steve? Come on, I bet it's the same with Kath." Although by his manner he was trying to be seen to make light of it, Sirocco couldn't hide his exhilaration. Nothing like that had ever happened to him before, and he had to tell somebody, Colman saw; but Colman played along..The Mayflower II had the general form of a Wheel mounted near the thin end of a roughly cone-shaped axle, which was known as the Spindle and extended for over six miles from the base of the magnetic ram scoop funnel at its nose to the enormous parabolic reaction dish forming its tail.. 'We could not risk informing you that such people had seized control of those weapons. The decision was mine and nobody else's.'"Oh, so it's trouble them fellas is looking for, is it?" a voice with just a hint :of an Irish brogue asked softly from the doorway. Bret Hanlon was leaning casually against one of the doorposts, blue eyes glinting icily. His huge shoulders seeming almost to reach the other side of the door. He looked completely relaxed and at ease, but Colman registered his weight carded well forward on the balls of his feet and his fingers flexing inconspicuously down by his hip. The two corporals glanced at each other apprehensively. Hanlon's appearance altered the odds a bit. Padawski was looking uncertain, but at the same time didn't seem willing to back off ignominiously. For a few seconds that dragged like minutes, the charge in the room crackled at flashpoint. Displays of undue familiarity were hardly to be expected between echelon-six and echelon-four personnel, naturally, but even allowing for that, Fallows always found himself in acute discomfort within seconds of entering a room with Merrick in it, especially when nobody else was present. This time he wouldn't let it happen, he had resolved for the umpteenth time back in the corridor. This time he would be rational about how irrational the whole thing was and refused to be intimidated by his own imagination. Merrick had not singled him out as any special object of his disdain. He behaved that way with everybody. It didn't mean anything.
