They saw it go up stone on stone, every stone steeped in spells of protection, endurance, peace. They saw the Rule of Roke established, though never so firmly as they might wish, and always against opposition; for mages came from other islands and rose up from among the students of the school, women and men of power, knowledge, and pride, sworn by the Rule to work together and for the good of all, but each seeing a different way to do it. "I'm sorry," he said, with enough dignity that Hemlock glanced up at him..right, had at last understood the technique. But he must not hurry, he must be patient, must make a lighter; for an instant I was seized by a blind rage; I set my jaw, narrowed my eyes, and..The next day she said, "I'm going to sit under the trees." Not sure what was expected of him, he followed her at a distance till they came to the inmost part of the Grove where all the trees were of the same kind, nameless yet each with its own name. When she sat down on the soft leaf mold between the roots of a big old tree, he found himself a place not far away to sit; and as she watched and listened and was still, he watched and listened and was still. So they did for several days. Then one morning, in rebellious mood, he stayed by the stream while Ember walked into the Grove. She did not look back..foreleg. Her hands came away covered with blood-streaked horse sweat. "There, there," she said.."It isn't right. It isn't my true name! I thought my name would make me be me.
